TOP URGENT

Dear Colleagues,

Subject: invitation to participate in the B2B during the SIL Exhibition
in Barcelona 9-10 June 2015.

Please find attached the invitation of Chamber of Commerce, Industry & Agriculture of Beirut & Mount Lebanon (CCIABML) to participate in the B2B meetings within the OPTIMED project which will take place in Barcelona – Spain, on 9-10 June 2015, during the SIL Exhibition (Salon International de la Logistique).

We draw the attention of our colleagues that the project will cover the travel and subsistence cost for CIN members (5 persons) attending the B2B on a flat allowance basis of 1250 Euros for one person.

Colleagues, who are interested in attending the B2B meetings, are kindly requested to sign the attached letter of Mr. Rabih Sabra (Director General of CCIABML) and send it, the soonest, to the General Secretariat of our Chamber, and also specify the EU companies you would like to meet.

Best regards,

President

Elie Zakhour

Att.: 1- letter invitation of "CCIABML".

Dear Sirs,

As part of the EU-ENPI funded Projects OPTIMED and EUROMED Invest, we have the pleasure to inform you that you have been selected to take part in the B2B Meetings between the economic operators that will be carried out on the **9th and 10th of June 2015** in Barcelona-Spain, during the SIL Exhibition (Salon International de la Logistique).

OPTIMED aims at promoting new opportunities, facilities, tools and skills that lead to the improvement of commercial connections and relationships between public and private operators in maritime transport and logistics sector from Southern – Eastern to Northern – Western ports of the Mediterranean Sea. The project will identify and spread the opportunities of the new maritime trade network and the potentialities of a supporting tool like the virtual logistics platform among economic operators from EU and Mediterranean Partner countries.

The objective of EUROMED Invest is to renew the interest of SMEs in the Euro-Mediterranean market, increase investment and business projects flow, and ensure that the EU regains its leading position as source of foreign direct investment in these countries. EUROMED Invest targets the most promising sectors for job creation and economic spillovers to contribute to an inclusive economic development of the region. Such sectors are: Agrifood, transport & logistics, cultural & creative industries, water & green energies and tourism.

The project will identify and spread the opportunities of the new maritime trade network and the potentialities of a supporting tool like the virtual logistics platform among economic operators from EU and Mediterranean Partner countries.

The project will cover the travel and subsistence costs for one person attending the B2B meetings on a flat allowance basis of 1250 Euros.

The OPTIMED meetings will take place with a number of European companies (list of European companies present attached). Such meetings will provide opportunities for subcontracting or co-sourcing agreements, exportation/importation, exchange of commercial networks, technological partnerships (transfer of know-how, exchange of staff), establishment of activities (subsidiary company, representative office, etc.), strategic partnerships (joint venture, representative agreements, etc.) and many others.
